

# Philips Projection

**Last updated:** November, the 14th 2025

When we receive a vulnerability report, Philips projection takes a series of steps to address the issue internally, referring to ISO/IEC 30111. All reported vulnerabilities are scored according to the Common Vulnerability Scoring System 3.1 (CVSS) standard.

## PSTI Statement of Compliance for Projectors

### Publication of Support Period:

Product Name	Product Model	Mobile App	Product Hardware Security Update Support Period	Mobile App Support Period
Multi-function projector	NeoPix 250 Smart (NPX250)	N/A	30/11/2027	N/A
Multi-function projector	NeoPix 450 Smart (NPX450)	N/A	30/11/2027	N/A
Multi-function projector	NeoPix 950Smart (NPX950)	N/A	30/11/2027	N/A
Multi-function projector	GamePix 800 Smart (GMX800)	N/A	30/11/2027	N/A
Multi-function projector	NeoPix 160 Smart (NPX160)	N/A	30/11/2027	N/A

**Product Name:** Multi-function projector

**Model/Type:** NeoPix 250 Smart (NPX250), NeoPix 450 Smart (NPX450), NeoPix 950 Smart (NPX950), GamePix 800 Smart (GMX800), NeoPix 160 Smart (NPX160)

**Manufacturer Name:** Screeneo Innovation SA

**Address:** 8A route de Suisse, 1163 Etoy ,Switzerland

**Authorised Representative's Name:** Alexandre Colot

**Authorised Representative's Address:** 8A route de Suisse, 1163 Etoy ,Switzerland

This Statement of Compliance is prepared by the manufacturer Screeneo Innovation SA of the product. We hereby declare that the object of this statement, as described above, is in conformity with the following relevant requirements in 2023 No. 1007 CONSUMER PROTECTION: The Product Security and Telecommunications Infrastructure (Security Requirements for Relevant Connectable Products) Regulations 2023:

- (i) The applicable security requirements in Schedule 1.
- (ii) The deemed compliance conditions in Schedule 2:

The product shall be deemed to comply with the following conditions:

- a. Provision 5.1-1
- b. Provision 5.1-2
- c. Provision 5.2-1
- d. Provision 5.3-13

All of the above provisions are from ETSI EN 303 645 V2.1.1 published on June 29, 2020.

We state that the defined scope supports are including product hardware, pre-installed APP, software and OTA upgrade.

We state that the defined software support period for the above is until (see table date) which is the same as when we first supplied it. Any update will be published at:

<https://support.philipsprojection.com/hc/en-us>.

The vulnerability disclosure policy for the product is available at:

<https://support.philipsprojection.com/hc/en-us>.
